***The Candidate with a Backbone!!***

***Also featuring David Collins of  
Houston, Green candidate for US  
Senate***

As well as other candidates for the  
large Bexar County Green Party slate.  
Greens take no corporate money.

Voters need to understand that under the two  
party system its a rigged game of “Heads they  
win. Tails we all lose”

It's time to take a stand and show our  
discontent. Vote Green or Independent to take  
back our nation from the bought out Corporate  
party, and all their pawns.
